

# PALM BEACH INDIA ASSOCIATION

Dear Sir/Madam

Palm Beach India Association, a 501 3(c) Non-Profit Organization, will be celebrating its 15th annual Indiafest. This event will be held on Saturday February 17<sup>th</sup>, 2018 at the Meyer Amphitheater in downtown West Palm Beach.

## Purpose

The reason we organize this event is to create awareness of India and Indian people to the South Florida community. IndiaFest aims to educate the community on the beautiful nuances that make up Indian culture: the colorful clothing, the flavorful food, and the rhythmic beats. Indiafest also creates an opportunity to get people of Indian origin to enjoy Indian culture with people of Non-Indian origin hence enhancing global unity.

## Event

Daytime performances will include musical and dance performances and yoga teachings performed by local community members. For the headliner, which is in the evening, we usually bring a well-known Bollywood artist to perform. The identity is left a surprise for the audience till the day of the event. This is a free event open to the public.

## Demographics

In the past, we have had about 20,000-25,000 people attend the event throughout the day, last year we had upward of 25,000 people attend the event and this year we are anticipating even more possibly due to the lineup we are bringing for the evening performances. This event attracts both Indians and non-Indians. This year we should have an even stronger Indian audience from across the state due to the lineup we are putting together for the evening performances. India fest and its team's markets and advertises the event very aggressively including press release, posters, flyers, emails, advertise in various publications and newspaper. The team also invites various news channels and radio station for live coverage on the day of the event.

To make this event an even bigger success we are approaching the community for its support. We believe that supporting us would also benefit your company with positive exposure and help you gain a stronghold in the Indian communities residing in South Florida.
